## UPDATE: SEASONAL CLUB CLEANUP

- To ensure everyone's safety, Paul Bunyan Tree Service inspected all Club grounds including pool area, parking lots, and tennis courts. Dead and broken branches have been removed, and landscape trees were pruned and shaped.
- The Pool was power-washed and re-painted, tiles replaced, and ladders repaired. Pavers, concrete, and stone around the pool were cleaned and power-washed.
- Playground area has been refurbished with safety mulch for fall protection. Due to health concerns and pest issues, we removed the sandbox from the playground.
- Kitchen has been renovated, steam cleaned, painted, and new equipment installed. New tropical ceiling fans have been installed in the eating area.
- New exterminators assure us that the wasp and bee issue which ran rampant last summer will be controlled, and the garbage cans which attract insects will be relocated. We ask all families to respect our Club. Dispose of trash and recycle glass and cans in the marked recycling bins.
- Benches installed on all Tennis Courts. Our Tennis Pro Shop has been cleaned and refurbished.

## WE NEED BOOKS!

In the spirit of upgrading a lot of areas in the club, we'd like to add some reading material to the shelves by the front gate. Please bring a couple of used books (or new ones) to add to our summer library.

**READY, SET, PLAY!** Arts & Crafts: This year we welcome **Ceil Francis**, who will be running our Arts & Crafts Program. Ceil is a Yonkers Public School teacher with 15 years of experience in elementary arts education. The six-week program is for children between the ages of 5 -12.
